

**Northeast Baseball League, Inc.  
Amendment to Constitution  
5-28-2009**

**Use of Players who are Playing for a Legion Team is Ineligible**

**Rule #5 of our 3/10/98 amendment is now changed to Ban Legion Players completely for all Northeast Baseball Team Rosters. Players who play in other leagues are still subject to rule 5.**

**It is now illegal to use Legion Players in our League, this rule will be enforced by checking Legion Rosters posted on their web site. So please do not force me to take action on this, I will take your word that in truth you have no Legion Players. Violations will result in a forfeit!**

**Rule 7. States any team who forfeits more than two games in a season can be suspended from the league.**

**Note: This was voted in by a rep. from all 15 teams in our 2009 Season, the vote was 8 in favor, 6 against, 1 no vote.**

**Re-Entry Rule for Allstar Game Only.**

**Since the Allstar Game is a 9 Inning Game, Players who are substitutes and enter the game, then are later taken out, may re-enter their same spot in the batting order.**

**Note: This was a all in favor vote at our April 2009 Meeting.**
