

**Northeast Baseball League, Inc.  
Amendment to Constitution  
4-2-2013**

**Deadline to Reschedule Make-up Games**

**If a game is cancelled, the Home Team now has 4 days to reschedule a make-up date. If the Home Team does not reschedule within 4 days they will take a forfeit. If the Home Team does have dates to reschedule and the Visiting Team does not agree to play any of those dates the Visiting Team then takes a forfeit.**

**If two Teams mutually agree they cannot play a scheduled game, a make-up date has to be rescheduled immediately, and the League has to be notified.**

**The only reason a scheduled game should be rescheduled is due to weather, or a High School event, such as tournament play, sports banquets or proms.**

**Forfeit Rule**

**Forfeiting Teams are responsible for paying umpire fees if umpires show up at the field. The umpires are now paid a full fee for forfeits.**

**If a team knows he can not field nine roster players within fifteen minutes of the scheduled start time, it is a forfeit.**

**If a team know's well in advance that they will be forfeiting a game, that team must notify the Umpire in Chief of assigning that game within 1 hour before start time, so as the umpires assigned can be notified before they leave for the field. If you are the Visiting team that is forfeiting its your responsibility to make the notifications, otherwise you will be paying umpires full fees.**
